Neterra

Neterra provides **telecommunications services, global connectivity, and IT asset management**. The company is a **Starlink authorized reseller** and has been recognized as the “**Best Connectivity Provider in Central and Eastern Europe**” for 2023 and 2024 by the Capacity Global Connectivity Awards.

Nine of the world’s ten largest telecommunications companies and nearly 1,000 global enterprises trust Neterra, solidifying its position as an industry leader.

In addition to the Neterra brand, the company delivers its services through seven other brands: Sofia Data Center (SDC), NetIX, Neterra.Cloud, NetFleet, Sofia Teleport, Thracia Teleport, and Neterra.TV.
